BLUTECH[®] POLARIZED

Whether it's a phone, iPad, laptop, ATM or gas pump... they all go dark when viewed with ordinary polarized sunglasses. Not anymore. BluTech combines a polarizer with natural pigments and dyes to ensure that whatever device your are viewing outside is, well... readable.

BluTech Polarized at-a-glance

- Read devices comfortably outdoors
- Protection from glare and blue light
- Deep saturated colors; clarity & comfort

Ideal Applications

- Driving, golfing, fishing
- Reading by the pool
- Working outside on a laptop
