

Using a Flipper Kit is the simplest, easiest, hygienic and impactful way to present BluTech Lenses to your patients. All patients will benefit from BluTech Lenses, those with no prescription, those that wear contact lenses and those that wear prescription glasses.

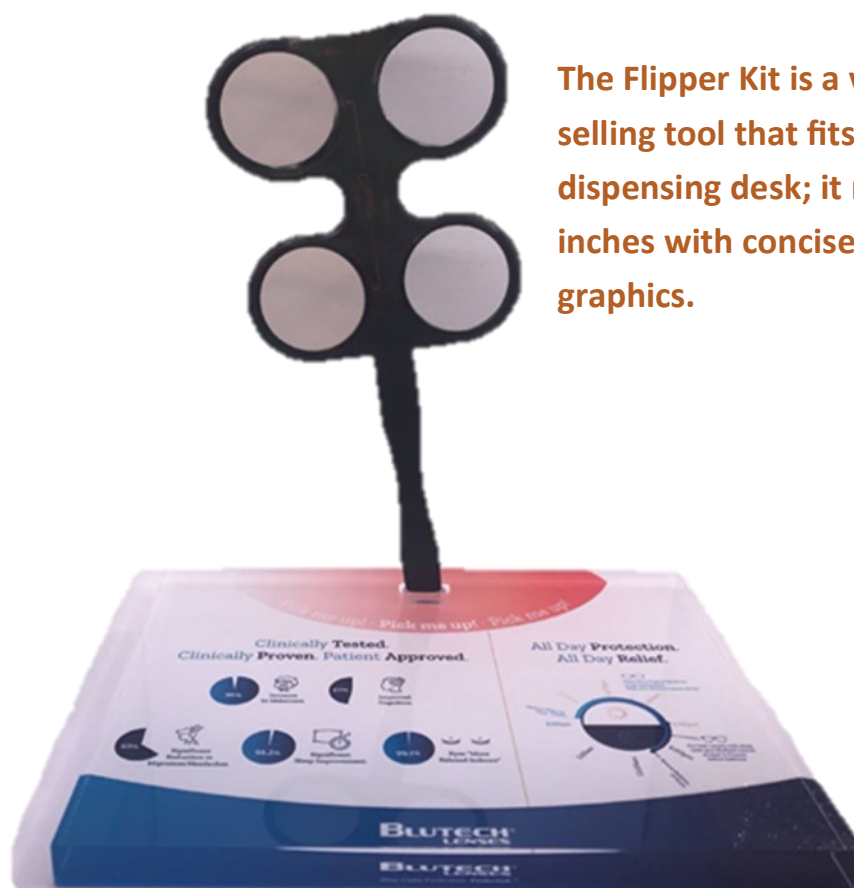

The following Flipper Kits are available:

Classic/Ultra, \$55

Classic Indoor/Classic Outdoor, \$65

Classic Outdoor/Ultra Outdoor, \$75

A Redemption Voucher is included with the purchase of each Flipper Kit; a selling tool that pays for itself!

The Flipper Kit is a very profitable selling tool that fits perfectly on the dispensing desk; it measures 5 x 7 inches with concise, educational graphics.
